for the District of Massachusetts

Re: Genoreux v. American Beryllia Corp., et al.
Case No. 04-CV-12137-JLT

Dear Judge Tauro:

On September 27, 2007, you ordered (Docket # 159):

"Parties shall advise this court by October 15, 2007 if they object to the publication of this opinion. Prior to doing so, they should consult with Raytheon to determine if it has any objection to publication."

In accordance with your Order, counsel have conferred. In particular, as directed by the Court, we have consulted with Raytheon's counsel, Ronald M. Jacobs of Conn Kavanaugh Rosenthal Peisch & Ford, LLP.

We are pleased to report that there is no objection to publication of the Court's previously-sealed Memorandum Decision on Summary Judgment (Docket # 157).

Sincerely,

Alan M. Spiro
